Greetings,

I welcome your interest in Trinity Catholic Schools and am delighted to assist you in the enrollment process. Trinity Catholic Schools (Trinity) is a community of families and faculty working together to foster the full development of young people in a truly Christian environment. It is with this partnership in mind that we invite you to arrange a tour of the schools, explore our website (www.DickinsonCatholicSchools.com) or visit us on Facebook (Dickinson Catholic Schools – Titans). In doing so, you will learn more about our students, families, teachers, and the components that make us truly unique.

Trinity Catholic Schools includes:

- Trinity Elementary East: PreK-4 Catholic grade school comprised of approximately 90 students
- Trinity Elementary West: PreK-4 Catholic grade school comprised of approximately 200 students
- Trinity Elementary North: Grades 5 & 6 Catholic grade school comprised of approximately 80 students
- Trinity Junior High and High School: Grades 7 – 12 Catholic school with approximately 215 students

We offer numerous opportunities for students to grow in faith, including daily prayer, frequent student-led Masses, all-school prayer services, student-led drives for local charities, and outreach programs.

Furthermore, Trinity is at the top of the charts academically. Our students consistently perform well on standardized tests (state and national). Students have the opportunity to learn a wide range of subjects including religion, language arts, math, science, social studies, music, art, technology, and health enhancement. Additionally, Trinity High School offers Dual Credit courses in numerous subject areas for college credit.

Our extra-curricular activities offer a full range of opportunities in football, cheer, volleyball (grades 5-12), basketball (grades 5-12), track and field (grades 6-12), golf, speech, band/choir, and drama. We also maintain a co-op agreement with Dickinson High School for dance, softball, baseball, gymnastics, tennis, cross-country, wrestling and swimming to allow our students to explore other athletic programs.

At Trinity you will find a community of committed and caring individuals. We have a range of families within Trinity – from those who have attended across generations to those who are very new to our school, our city, or even our state. As you begin the enrollment process, know that you and your family are truly making a decision that will impact your lives forever and that you are welcome here!

May you be blessed with peace and good will!

Sincerely,

Mrs. A.J. Eslinger

Trinity Standard Dress

Trinity Standard Dress is a collection of apparel to be worn by all students, grades K-12. The Standard Dress allows students to express themselves authentically, rather than fall into the latest trends and fads of modern society, which seems to change depending on the current cultural influences. As children of God, each and every student has a life of faith, fulfillment, and happiness ahead of them, and their self-expression is a means to this truth.

The clothing is to be worn during regular school hours, the only exception being that of spirit weeks, Titan Charity Days, Catholic Schools Week, and other days such as jeans days. Although the weather is unpredictable and often changing within extremes, the collection of apparel is suited for both extremes, acknowledging that students need to be prepared to dress warmly if extreme cold hits during the winter months. The offering of jackets and pullovers is suited for this purpose. **All clothing must be purchased through Logo Magic, Inc.** (our local Trinity Standard Dress provider), and marked with the Trinity Standard Dress 'Titan T'. Wal-Mart, Old Navy or other clothing vendors will be considered outside the bounds and is not permissible. We do have a gently used clothing room located at Trinity Elementary West. Please refer to the Standard Dress policy in your respective school handbook.
